

The Leadership Accelerator

Where good leaders become exceptional.

Join a worldwide leadership accelerator—all committed to thinking bigger, leading better, and achieving more for themselves and their organisations.

Our promise

Step into high impact leadership in 12 months or we keep working with you for free until you do.

Develop your leadership through world-class coaching.

Access world-class coaches, domain experts, and C-suite leaders who will challenge how you think and lead.

This is not a passive programme. Getting connected with a peer community where you'll be stretched, supported, and seen.

Limited cohort of 25 to ensure coaching depth.

Structured development

A programmatic journey across three leadership dimensions: leading self, leading others, and leading the organisation.

'Leadership gym'

Weekly live session to receive guidance from seasoned coaches. Enjoy live discussions with thought leaders.

Professional edge

Proven frameworks and tools, including the 'Find Your Voice' programme, to sharpen your executive presence and strategic communication.

Career support

Strategic career guidance to help you navigate your next move, whether that's a C-suite role, expanding your remit, or raising your industry profile.

Community

Join our worldwide network of senior executive leaders for practical support, wisdom, and shared experiences across multiple sectors.

Benefits to you

What you will come away with

■ Gravitas under pressure

You express yourself boldly in high-stakes moments. Under pressure, you lead with composure.

■ Inspire your team and your stakeholders

Conversations with your team and stakeholders shift from updates to influence. You leave people enrolled in your vision.

■ Play the bigger game

You've stopped getting pulled into the weeds. You think and operate at the level of the role you want, not the one you're in.

■ Know yourself and connect to others

You have the self-awareness and relational intelligence that has people across our organisation trust you instinctively.

■ 'Be the room'

You use your presence to create a productive space around you, where people feel called to contribute.

■ Deliver a 'breakthrough result'

Commit to producing an extraordinary outcome that stretches your leadership, with your Accelerator community behind you.

■ Bring others with you

You've learned to coach other leaders. You evoke accountability, ownership, and ambition in those you lead.

What people say

Being part of the FirstHuman Accelerator

"The coaching fundamentally changed my life and I use what I learned literally every day. Setting bigger goals became a way of life. I learned how to deal with my own fears, how to dream, collaborate and deliver."

Gretchen Haskins, CEO, HeliOffshore

"The programme has blown a lot of minds in the best possible way, mine included. The group sessions are rich, vulnerable and inspiring. I love FirstHuman!"

Ryan Wyeth, Director of Business Ops., Paramount Commerce

"Brings a new perspective to self and team development and helps me keep connected with some great leaders around the globe who are willing to share their own leadership learning. I highly recommend exploring what FirstHuman has to offer."

Mark Rouse, Skills Director, Nuclear Sector Skills Team
